Volunteers in Public Schools (VIPS)

The Hurst-Euless-Bedford ISD and the HEB Council of PTAs created VIPS in 2001 to recruit and support volunteers who can provide hands-on assistance at our schools. The VIPS objective is to impact student achievement in a positive way, whether directly or indirectly.

Our volunteers come from a variety of backgrounds. They may be members of a group that has adopted a school; grandparents of children in school; or individuals who want to give back to the community. Volunteers can read to students, tutor in a particular subject area, work in the library, or assist with special events. There is almost no end to opportunities in VIPS.

All volunteers must pass a background check. (You can begin this process by filling out the [online form](#) at the [VIPS HourTracker](#)).

Once you have passed the background check process, contact the VIPS Program Liaison at 817-399-2039 to schedule an appointment to have a volunteer ID badge made.

VIPS is administered by PR & Marketing Department. Please contact [Lisa Theisen](#) for more information.

"Parents and patrons are vital partners in the educational process."
